Cabernet Sauvignon 2007**

This wine is rare! There were only 300 cases made in 2007. The 2007Cabernet Sauvignon has put on weight since last year and performed better from bottle than it did from barrel. A dense purple color is followed by aromas of charcoal, bay leaf, scorched earth, creme de cassis, espresso and black currant. Deep, full-bodied and opulent with subtle oak, as well as white chocolate and graphite notes, this is a beauty of full-bodied power and evolving complexity. Can drink it over the next 12-15 years. Robert Parker's Wine Advocate rating is 96 points.
